This full-day workshop will be divided into a morning and an afternoon session. The morning session, *Federal and California Laws Related to Student Records*, provides a comprehensive review of common student records concerns including maintenance and destruction, rights of access, transfer of records, challenges to records as well as other current topics. Model policies and procedures will also be highlighted at this workshop.

The afternoon session, *Custody and Residency Issues*, will answer often-asked questions about types of custody, foster care, emancipation, removing pupils from campus, guardianship, names changes, and foreign student issues.

The workshop fee includes a copy of the 2017 *A Practitioners Guide for School Personnel: Federal and California Laws Related to Student Records and Custody and Residency Issues*.
